A message from Kenes Management

We are excited to invite you to a special celebration of **Kenes' 60th anniversary!**

For the first time in the company's history, all employees as well as some of our dearest partners and long-term suppliers, will gather together in one city.

Join us for a memorable experience filled with educational activities and a festive party as we honor six decades of achievements and teamwork.

This summit is not only an opportunity to unwind but also a chance to celebrate the incredible journey we've shared.

It's a time to reflect on our past, connect with colleagues, and look ahead to a bright future together.

We can't wait to celebrate with you!

Sustainable Anniversary Event

The Kenes 60th Anniversary & Summit is organised as a green and environmentally friendly event.

[Learn More](#)

The plan is to create a sustainable event and certify it according to the Austrian Green Ecolabel which allows the certification of a whole event. The venues where the event takes place as well as Kenes Group participants are involved and committed in the greening process to create a really sustainable event. The Green Ecolabel demonstrates environmentally conscious as well as socially responsible management of a meeting and is committed to the preservation of the bases of life and pays attention to the well-being of participants as well as of staff members.

Information for Kenes participants – Green Ecolabel recommendations:

Whenever possible, use environmentally compatible, public means of transportation. Please do your utmost to share UBERs or taxi when not using the Metro or public bus.

- Use public transportation or walk in the city.
- Make use of the environmentally benign offers of your hotel (change of towels and bedlinen only when needed or the like).
- Turn off all lights, electronic equipment (TV, air condition system, heating, computer etc.) when you leave the hotel room for some time.
- Reusability = environmental protection: Give preference to drinks served by the glass, meals served on crockery, milk and sugar without individual packaging etc.
- Dispose of your waste (PET, glass, paper, metal, batteries, etc.) via the separate collection systems provided at the hotel and at the event venue.
- Use your own writing utensils if needed.
- You may return your name badge after the event to the Kenes hospitality desk at the hotel.
